In Tables 3.3 to 3.7 the counting rules used to calculate the number of *sexual offences* changed in 1993 to bring them in line with other offences and with the National Counting Rules established by the Australian Bureau of Statistics' National Crime Statistics Unit. *Sexual offences* are now based on the number of victims rather than the number of offences. Therefore, caution should be exercised when making comparisons with pre-1993 figures.

The figures in this table do not include traffic infringement notices.

The figures for *dangerous, reckless or negligent driving* are subject to under-enumeration until the end of June 1992, when for the first time all such offences were captured on the Justice Information System. Prior to that date there had been an increasing loss of data caused by data not being entered into the statistical recording system from the prosecution computer system.

* Not counted separately in *Crime and Justice* reports prior to 1998.

** Not counted separately in *Crime and Justice* reports prior to 1992.

Changes in police recording practices for traffic, motor vehicle and driving licence offences introduced in 1999 means that the 1999 figures are not directly comparable with those of previous years.
